

## Market Template Help:

The file you see is the configuration and usage guide for the Market template module. This document aims to explain the steps in a simple and clear manner, with pictures.

Please follow along with us:

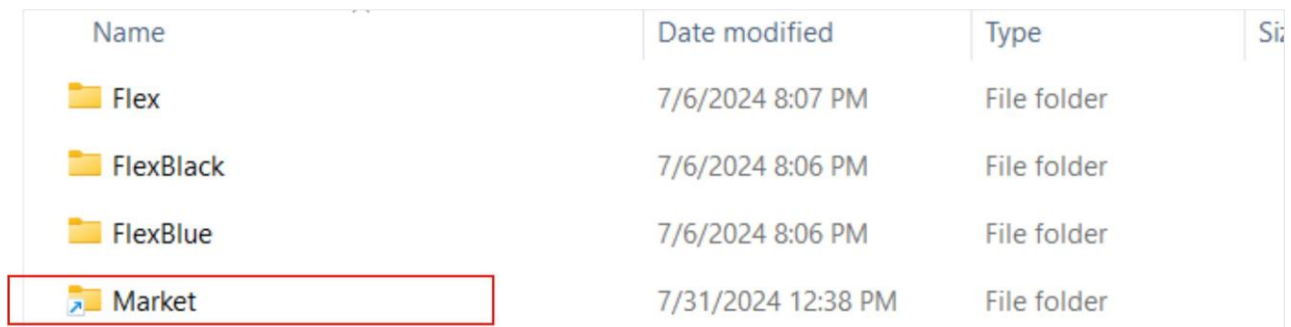

After installing the template module Market, go to the "Modules" folder and then enter "SmartPlugins.Themes.Market" folder.

Then run the "create-deployed-symlinks" file.

Name	Date modified	Type	Size
App_Data	12/13/2024 5:57 PM	File folder	
Localization	12/13/2024 5:57 PM	File folder	
Views	12/13/2024 5:57 PM	File folder	
wwwroot	12/13/2024 5:57 PM	File folder	
 create-deployed-symlinks	7/31/2024 12:37 PM	Windows Batch File	1 KB
 module	7/31/2024 12:37 PM	JSON File	1 KB
 SmartPlugins.Themes.Market.deps	12/13/2024 5:57 PM	JSON File	329 KB
 SmartPlugins.Themes.Market.dll	12/13/2024 5:57 PM	Application extens...	1,110 KB
 SmartPlugins.Themes.Market.pdb	12/13/2024 5:57 PM	Program Debug D...	399 KB
 SmartPlugins.Themes.Market.staticwebas...	12/13/2024 5:57 PM	JSON File	1,899 KB
 theme.config	12/2/2024 4:01 PM	XML Configuration...	11 KB

After running this file, the Market folder will be automatically created in the theme folder.

Name	Date modified	Type	Size
Flex	7/6/2024 8:07 PM	File folder	
FlexBlack	7/6/2024 8:06 PM	File folder	
FlexBlue	7/6/2024 8:06 PM	File folder	
 Market	7/31/2024 12:38 PM	File folder	

Then go to the admin panel and proceed as shown in the image:

Smartstore Dashboard

Now, follow the images below for active widgets and using the modules:

Now that the template is installed and all the modules are ready, you need to add your information to the template. In the image below, all the sections of the template we have prepared are highlighted separately.

For an explanation of each section, refer to the corresponding section:

## 1. logo:

In this section, you can upload your desired logo. The logo dimensions can be approximately as follows: a width of around 300 pixels and a height of around 80 pixels.

Follow these steps the Admin Panel to add your personal logo:

The first screenshot shows the Smartstore Admin Panel dashboard. A red box highlights the 'Stores' option in the 'Settings' menu, with a red arrow pointing to it and the number '1'. The dashboard includes sections for 'Incomplete orders' with circular progress indicators for 'Today', 'Last 7 days', and 'This year', all showing '\$0.00'. A 'Newsfeed' section on the right highlights 'Smartstore 6'.

The second screenshot shows the 'Stores' management page. A table lists existing stores. A red box highlights the 'market' store name, with a red arrow pointing to it and the number '2'. The table has columns for 'Store name', 'Shop URL', 'HOST values', 'Content Delivery Net...', 'Require HTTPS', and 'Display order'. The 'market' store has a Shop URL of 'http://marketv5.smart-plugins.com/' and Host values of 'yourstore.com' and 'www.yourstore.com'.

The third screenshot shows the 'Edit store details' page for the 'market' store. A red box highlights the 'Store logo' field, which contains a preview of a logo with the text 'MARKET market.png'. A red arrow points to the preview with the text '3. Drag your logo here'. At the top right, there are buttons for 'Save', 'Save and Continue Edit', and 'Delete'. A red arrow points to the 'Save' button with the number '4'.

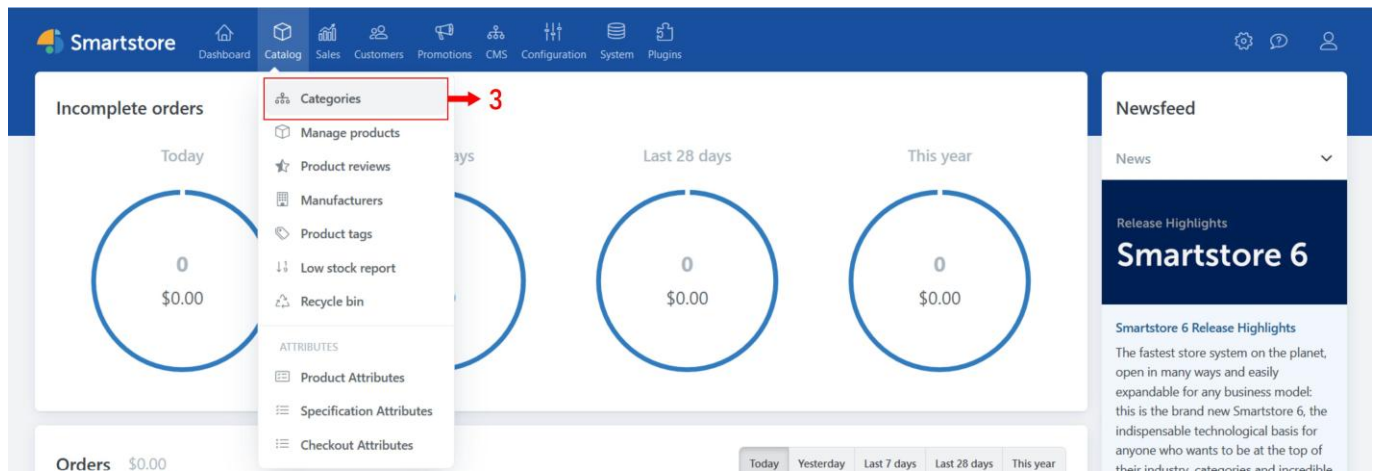

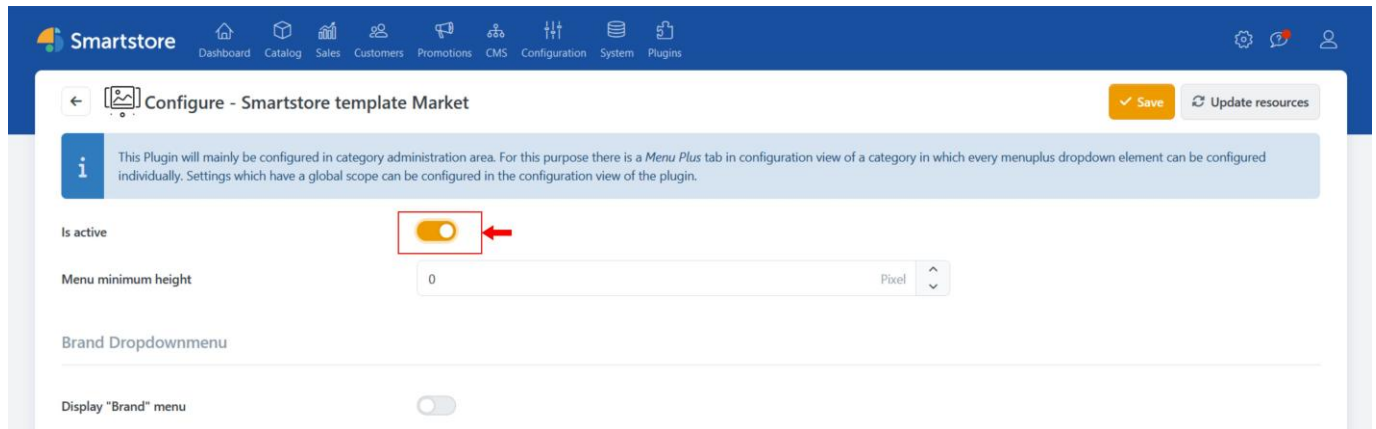

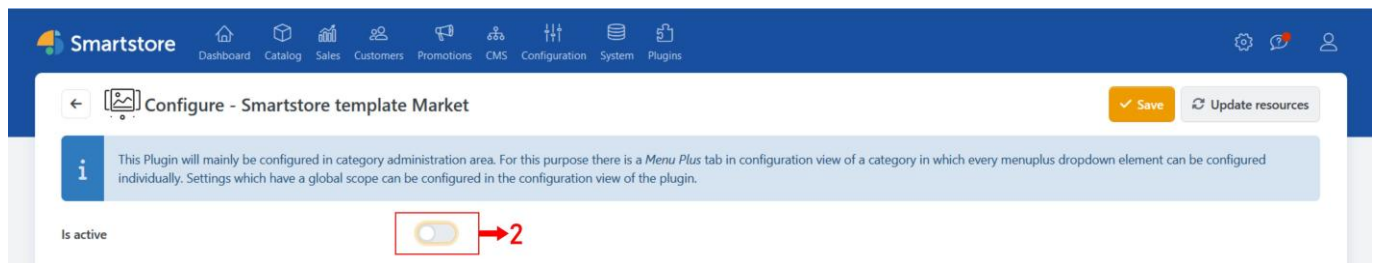

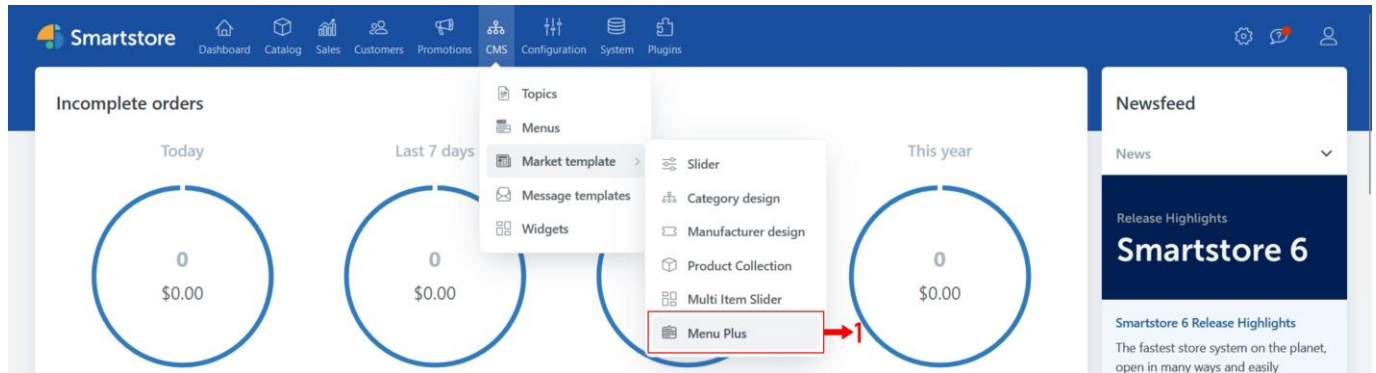

## 2. Menu:

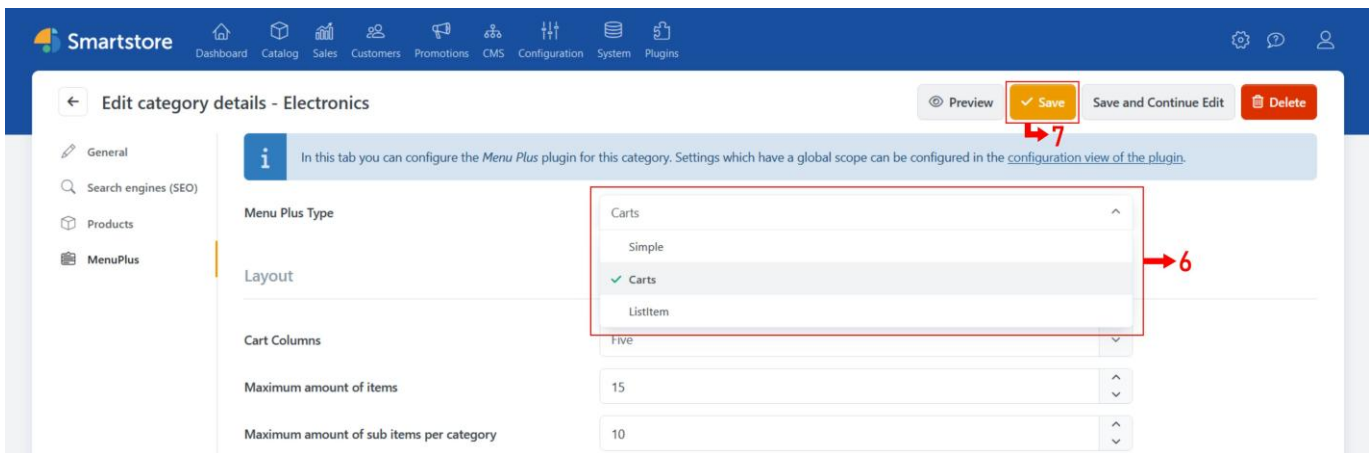

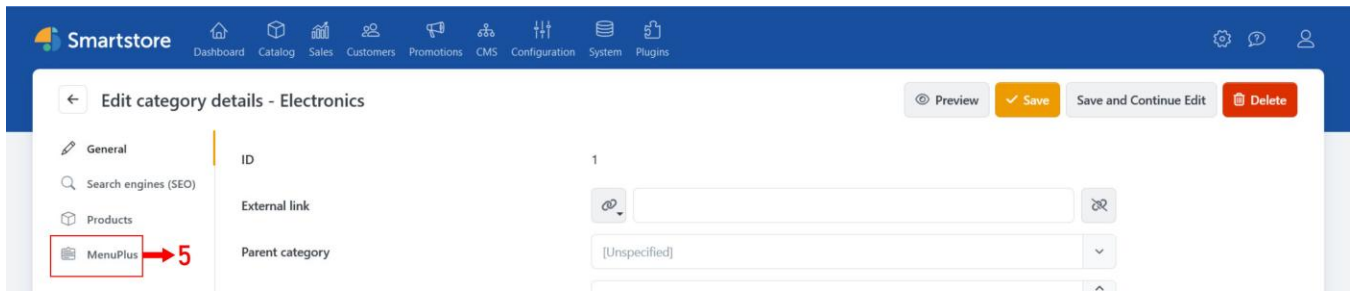

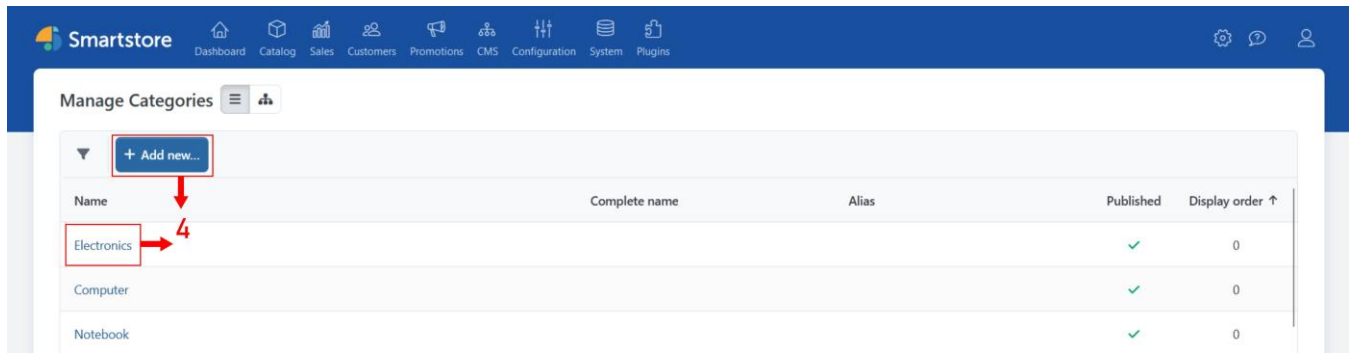

To add a category and its subcategories, use the link below:

<https://smartstore.atlassian.net/wiki/spaces/SMNET50/pages/1956119658/Organizing+Product+Categories>

### 3. Menu Plus:

"Menu Plus" can be activated whether you have already created a category or intend to create a new one. To activate **Menu Plus**, follow these steps:

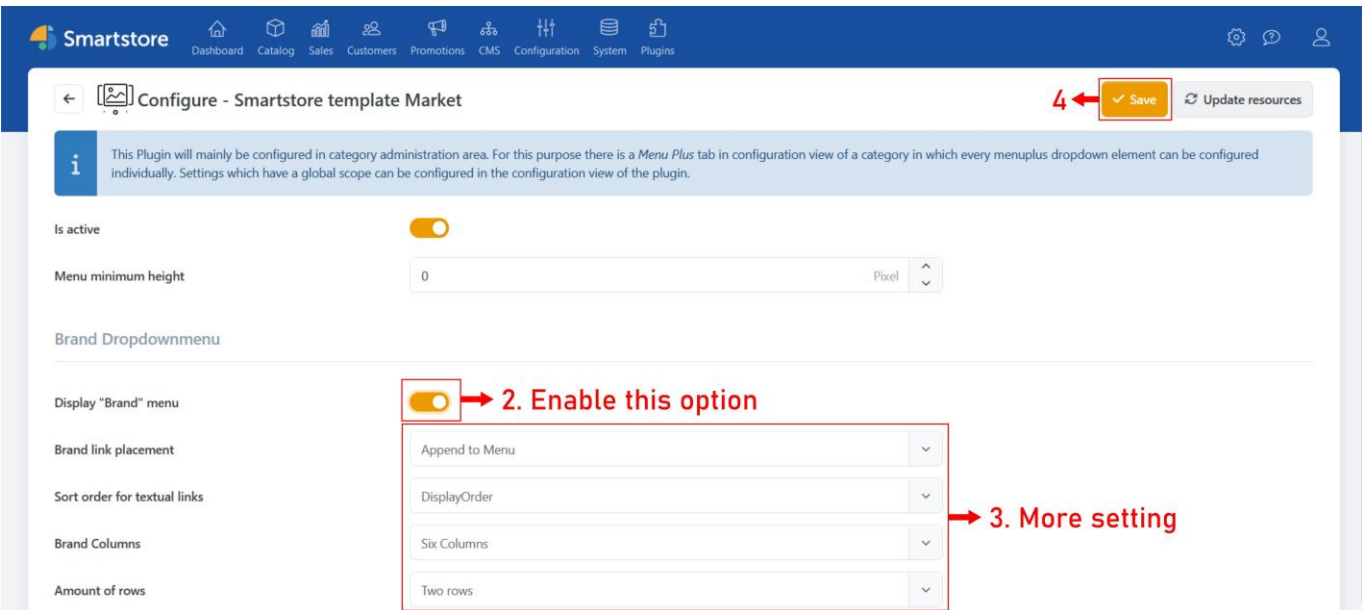

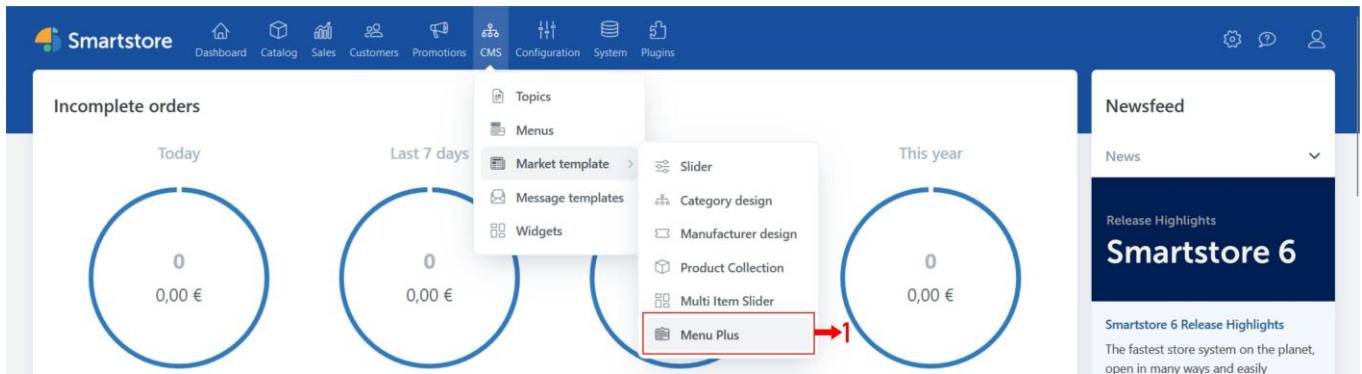

As you can see in the image in Step 4, Menu Plus has three options. The first option displays a simple dropdown menu, the second creates a card layout, and the third creates an itemized layout. You can also change the number of cards and items according to your preference and needs from the options below.

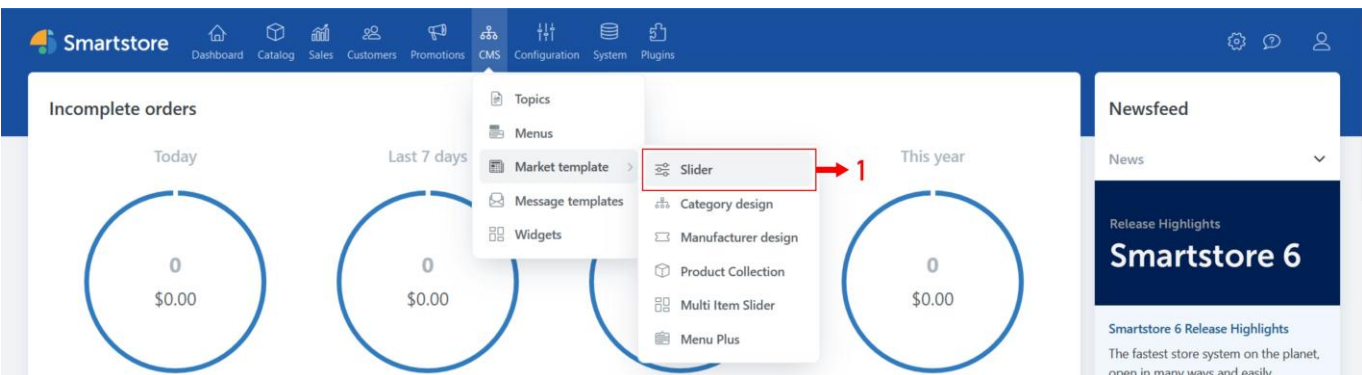

**\* Brand or Manufacturers MenuPlus:**

If you have added a brand or Manufacturers to your template and want it to appear as a menuplus in the main menu, follow the steps below:

#### 4. Slider:

To create a simple slider, follow the steps below:

Smartstore Dashboard Catalog Sales Customers Promotions CMS Configuration System Plugins

+ Add new... → 2

you can link your image or connect it to a category.

7. select your image

8. Write your title, tagline, intro or text.

9. If you want a button for your item, you can use this section. Otherwise, turn off the button so that it will not be displayed.

The size of the images used in the multi item slider of this template is 200 \* 115 pixels.

## 6. Category Design:

When you add a category, you can display it on the homepage by activating a button.

Smartstore Dashboard Catalog Sales Customers Promotions CMS Configuration System Plugins

Edit category details - Electronics

Show on home page

Name Electronics

However, in addition to this method, you can also use the related module to show the category on the homepage. These two methods differ in design. To add a category using this module, follow the steps below:

## 7. Product:

To add a product, use the link below:

<https://smartstore.atlassian.net/wiki/spaces/SMNET50/pages/1956119693/Managing+Products>

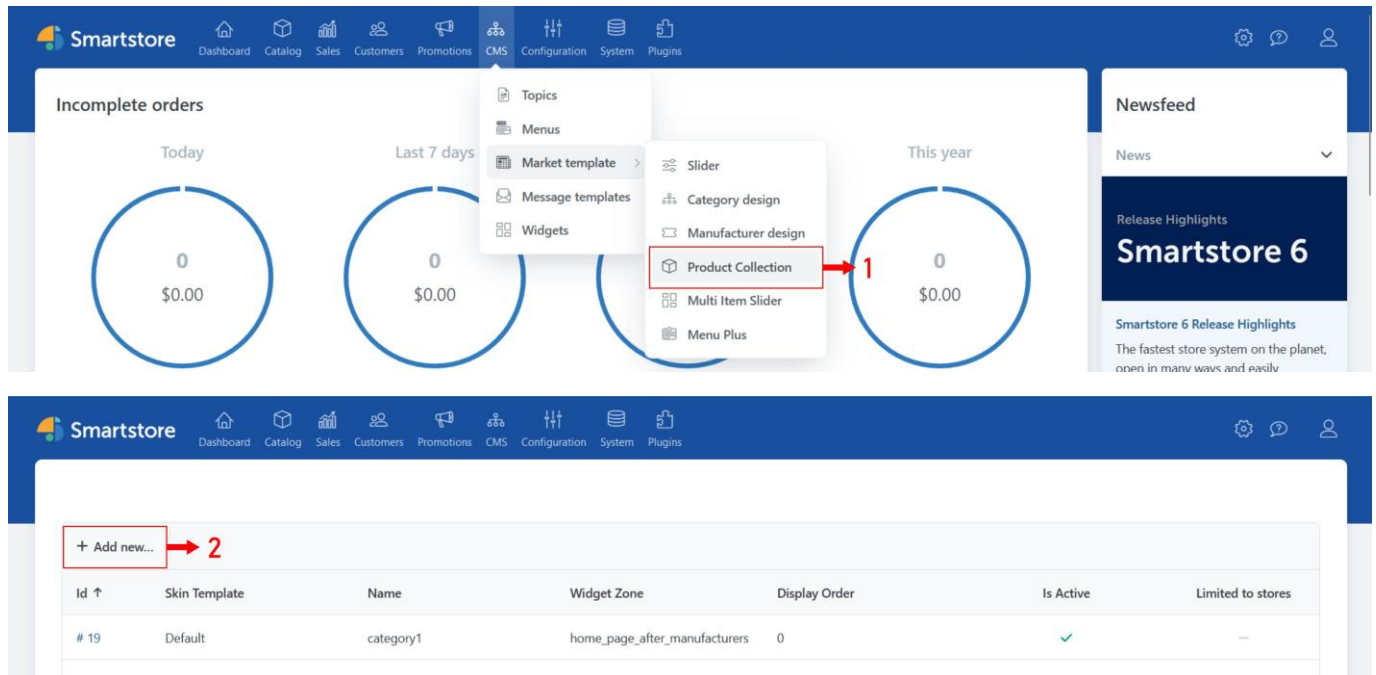

## 8. Slider:

This step is the same as Step 4.

The size of the images used in the slider of this template is 1920 \* 500 pixels.

## 9. Product Collection:

To add a product collection, follow the steps below:

The image shows two screenshots from the Smartstore CMS interface. The top screenshot displays the 'Incomplete orders' dashboard with three circular gauges showing '0 \$0.00' for 'Today', 'Last 7 days', and 'This year'. A 'Market template' dropdown menu is open, showing various widget options. The 'Product Collection' option is highlighted with a red box and a red arrow labeled '1'. The bottom screenshot shows the same dashboard with a '+ Add new...' button highlighted by a red box and a red arrow labeled '2'. Below this button is a table listing existing widgets.

Id ↑	Skin Template	Name	Widget Zone	Display Order	Is Active	Limited to stores
# 19	Default	category1	home_page_after_manufacturers	0	✓	—

The screenshot shows the 'Product collection details' configuration page in the Smartstore interface. The page is annotated with red numbers and arrows pointing to specific fields and settings:

- 12**: Points to the 'Save' button in the top right corner.
- 3**: Points to the 'Name' field containing 'category1'.
- 4**: Points to the 'Type of product selection' dropdown menu set to 'Pick products'.
- 5**: Points to the 'Products' field containing '3,17,22,18,21,23'.
- 6**: Points to the 'Title' field containing 'Best Arrivals'.
- 7**: Points to the 'Max Items' field set to '15'.
- 8**: Points to the 'Autoplay Enabled' toggle switch, which is turned on.
- 9**: Points to the 'Picture Id' field showing a selected image thumbnail.
- 10**: Points to the 'Widget Zone' dropdown menu set to 'home\_page\_after\_manufacturers'.
- 11**: Points to the 'Product collection properties' section, which contains a vertical list of toggle switches for various features like 'Short description', 'Price', 'Ratings', etc.

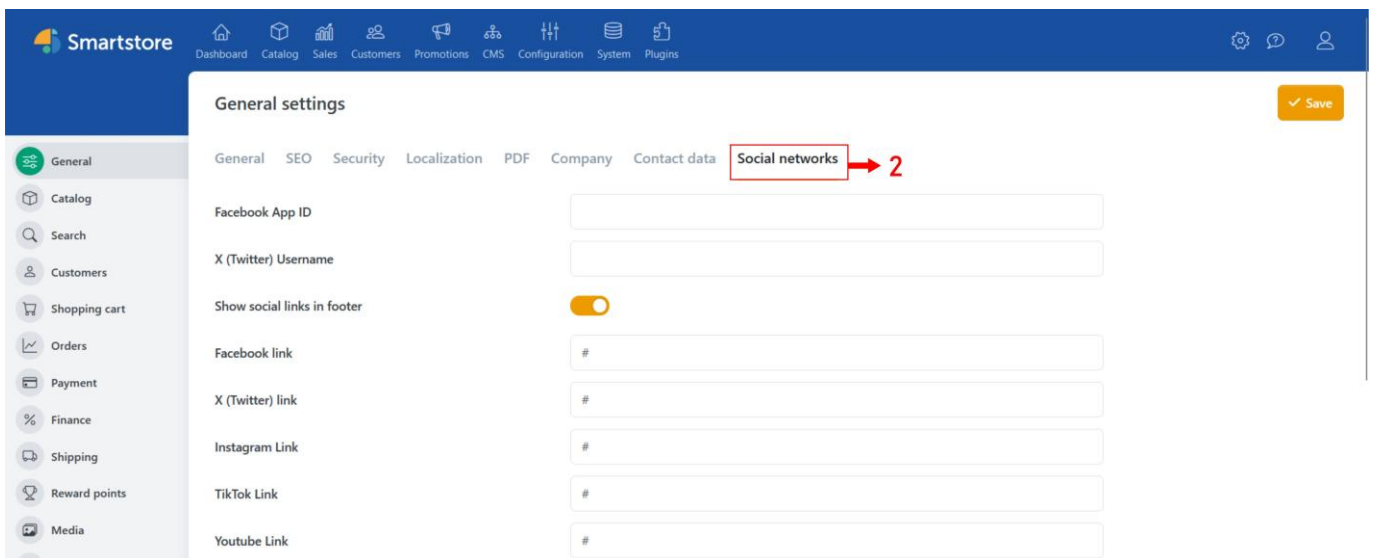

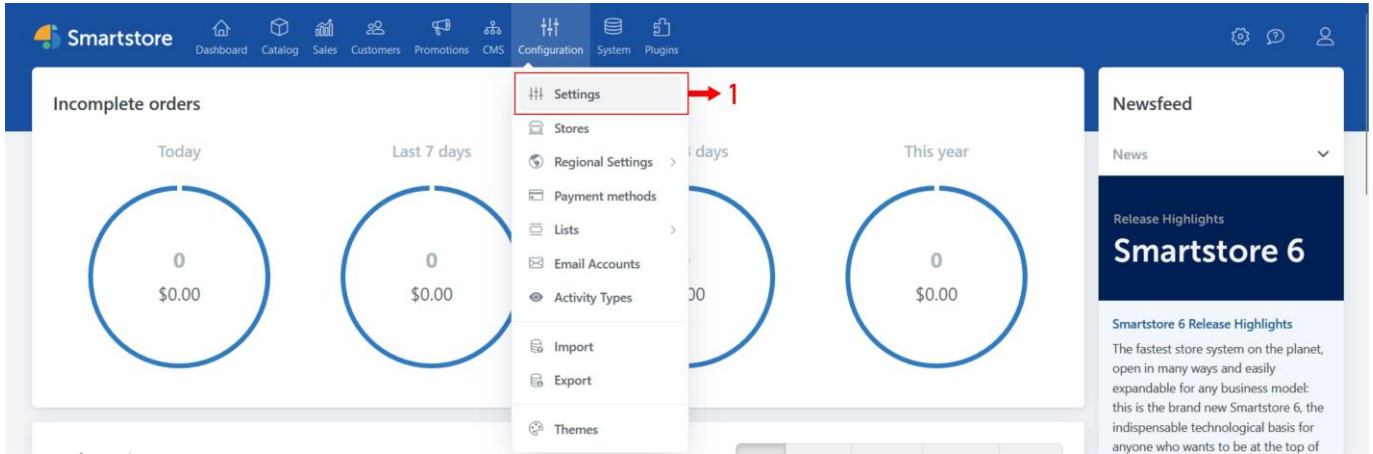

The size of the images used in the product collection of this template is 650 \* 600 pixels.

### 10. Recently Viewed Product:

This section will be displayed when you view the products in your store.

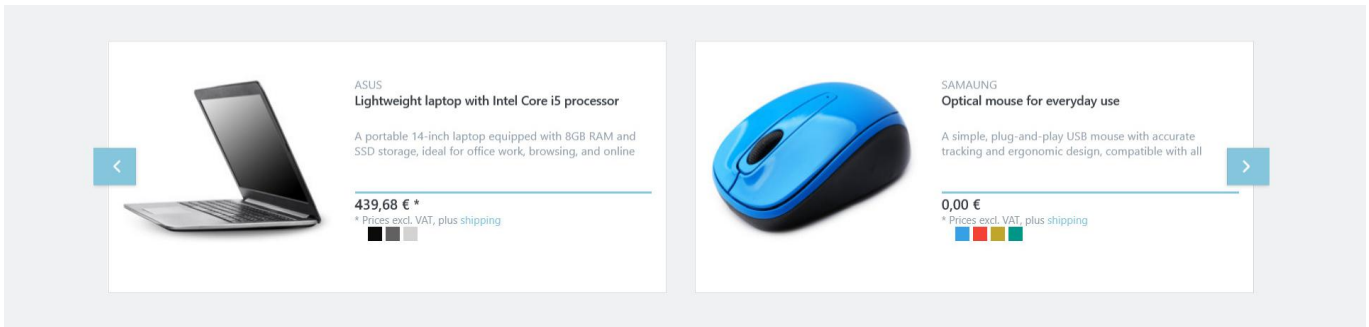

### 11. Social Media:

In this section, you can place the links to the social media pages.

Up to this point, the tutorial was the same for versions 5 and 6. The following section is presented based on version 6.

This section pertains to the **Product Collection** module. Follow the steps below to create this section:

The screenshot shows the Smartstore CMS interface. The top navigation bar includes Dashboard, Catalog, Sales, Customers, Promotions, CMS, Configuration, System, and Plugins. The main content area displays 'Incomplete orders' with three circular gauges for Today, Last 7 days, and This year, all showing 0 \$0.00. A 'Newsfeed' sidebar on the right shows 'Smartstore 6' release highlights. A widget menu is open, listing Topics, Menu, Market template, Message templates, and Widgets. The 'Product Collection' widget is highlighted with a red box and a red arrow labeled '1'. Below the menu, the '+ Add new...' button is highlighted with a red box and a red arrow labeled '2'. The widget list table below shows one existing widget:

Id ↑	Skin Template	Name	Widget Zone	Display Order	Is Active	Limited to stores
# 19	Default	category1	home_page_after_manufacturers	0	✓	—
